Dear Dr Kaczor

On behalf of the Pelican Waters Caloundra Swimming Club I would like to thank you for your entertaining and motivating talk you gave to our Club Members recently.

Everyone, especially young sports people need to be advised or reminded on the power of positive thinking and also how important it is to have aims and goals and know the best way to achieve them. It was with this in mind that we contacted you hoping to achieve some of the above results. Your visit way surpassed our expectations and left not only our swimmers buzzing with hope and dreams but also the coaches and parents.

Once again, thank you for your inspiring visit to the Sunshine Coast and we look forward to seeing you again.

Yours sincerely

John Wallace
