Dear Coleen,

On behalf of the Brisbane Bandits management and administration, I would like to take this opportunity to congratulate you and the team on your exceptional performance this past season.

It is through your dedication, hard work and commitment that will prove to be the driving force behind the Brisbane Bandits as we strive to win the championship for the 1992/93 Pepsi Australian Baseball League season.

A team meeting will be scheduled in March to discuss the offseason development programme to be implemented by the coaching staff as well as addressing some of the current issues of the club. You will be notified of the date and venue of this meeting.

Thank you again and congratulations on a successful year!

Sincerely,

Tom Nicholson  
Executive Director
